

Outlook Express 6.0

How to remove an e-mail account.

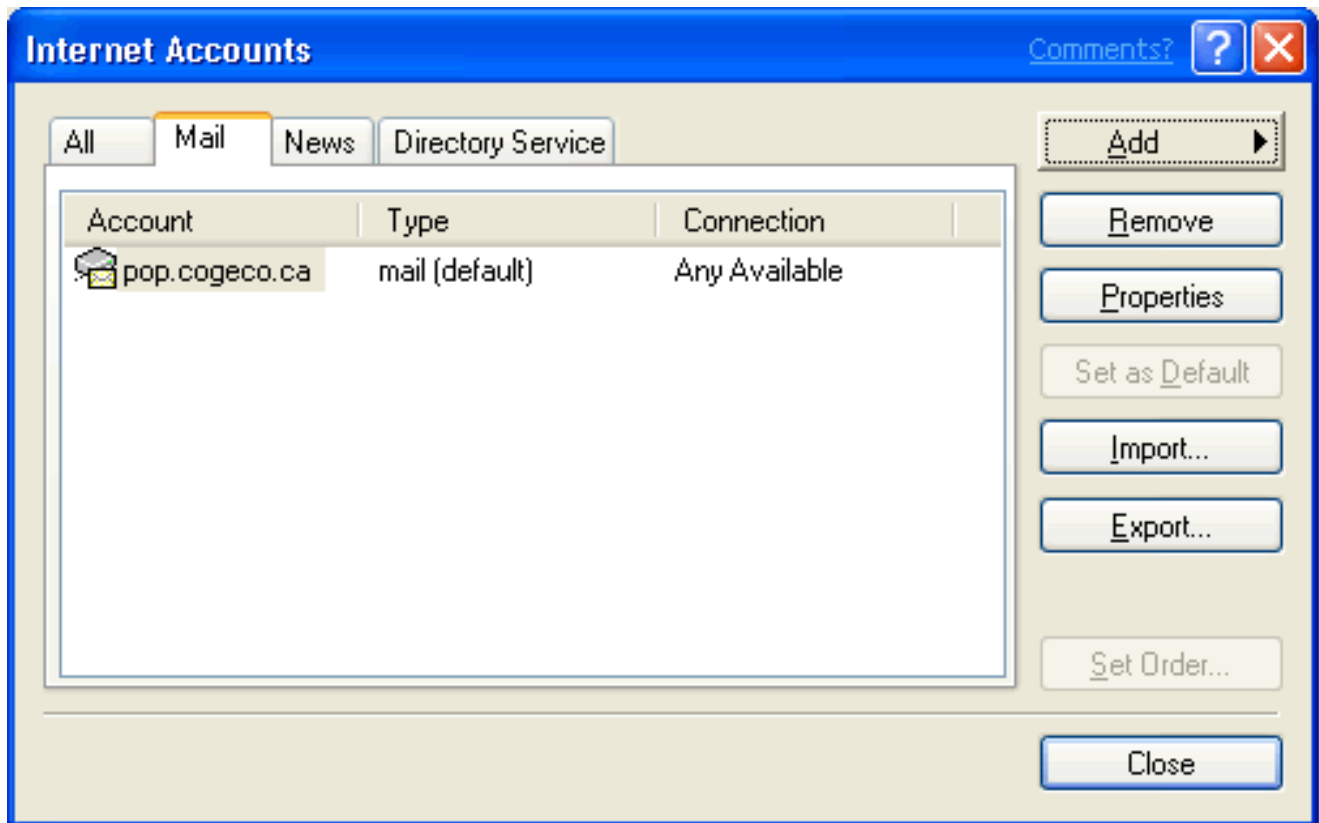

1. Launch Outlook Express
2. Click on **T**ools and select **A**ccounts...

3. Click on the **Mail** tab to display a list of the e-mail accounts

4. Highlight the account that you wish to remove by clicking on it and click on the **Remove** button to delete it.
- Note:** if you do not know which account belongs to which email address, you can click on the **Properties** button to find out.

5. You will be presented with a warning. Click on the Yes button to delete the account.
6. The account will be removed from the list. Click on the **Close** button to return to Outlook Express.
